- 🌐 Get quotes from several moving companies to compare pricing and services.
- 🌐 Ensure that the quotes are provided in writing and include all relevant charges.

4. IN-HOME SURVEY:

- 🌐 Invite the shortlisted companies to conduct an in-home survey to assess the volume of items to be moved.

5. SERVICES OFFERED:

- 🌐 Clarify the services offered by the movers, such as packing, loading, transportation, unloading, and unpacking.
