

Moving Checklist

A moving checklist is an indispensable tool that helps ensure a smooth and organised transition from one location to another.

8 Weeks Before the Move	
❖ Create a budget for your move.	
❖ Start researching and getting quotes from moving companies.	
❖ Declutter and begin packing items you don't use daily.	
❖ Notify your current and future utility providers about the upcoming move.	
6 Weeks Before the Move	
❖ Choose a moving company and schedule your move.	
❖ Begin packing non-essential items.	
❖ Collect important documents and records (medical, school, financial).	
❖ Notify important parties of your address change (banks, insurance, post office).	
4 Weeks Before the Move	
1. Continue packing, and labelling boxes by room.	
2. Arrange transportation for pets and plants.	
3. Dispose of items you don't plan to move (garage sale, donations).	
4. Confirm moving details with your chosen moving company.	
2 Weeks Before the Move	
❖ Start packing a "moving day essentials" box.	
❖ Confirm travel arrangements for yourself and your family.	
❖ Make arrangements to disconnect and reconnect utilities.	
❖ Confirm parking and access for the moving truck at both locations.	
1 Week Before the Move	
❖ Pack a suitcase with enough clothes and toiletries for the first week in your new home.	
❖ Finish packing all non-essential items.	
❖ Defrost and clean the refrigerator and freezer.	
❖ Double-check all arrangements with the moving company.	
Moving Day	
❖ Supervise the loading process and verify the inventory list	
❖ Do a final walkthrough of your old home to ensure nothing is left behind.	
❖ Secure valuable items and important documents for transport.	
❖ Travel to your new home.	
First Week in Your New Home	
❖ Unpack essentials and set up beds and basic furniture.	
❖ Register your vehicle and update your driver's license.	
❖ Explore your new neighbourhood and locate essential services.	
❖ Begin the process of getting involved in your new community.
